TOPIC; Three Major Facts About Marriage

Date: 07 March 2023

Let's take a look at three basic factors that sustained marriage according to God designed and programming.

Today we have several married homes around the world dealing with a number of challenges in marriages that need for more urgent care.

There are too many disagreements, both legal and illegal, complaints, break-ups, violence, injuries, and other things, many people who have not yet married find it to be very terrifying and demoralizing.

Therefore, given this continual marital conflict, should we outlaw marriage? Because this is currently serving as a justification for our children, I mean our young ones to continue engaging in sexual immorality. (The part that will always disconnect us from God's promises.

Undoubtedly, there is something we aren't doing well, not just in our marriages but also with ourselves.

To resolve these problems, we require greater comprehension. As soon as God created man, He deemed marriage to be more important than everything else.

God is the source of marriage's fundamental principles, not man. Hence, in all we do, we need God's guidance.

As long as we can imagine, marriage has much to do with prosperity, if you fail to acknowledge marriage as engine that propel success and prosperity, then you're doing a different thing. I want to let you know that marriage represents three major facts we need in life, excluding any make our marriage incomplete;

No.1 Prosperity

No.2 supports

No.3 Love

Ecc 4:9-10**Two are better than one, because they have a good reward for their toil.** (Here refers to prosperity)

(9) For if they fall, one will lift up his fellow. But woe to him who is alone when he falls and has not another to lift him up! (Here refers to support)

10, again, if two lie together, they keep warm, but how can one keep warm alone?

(Explanation)

Women considered the three major things, while most men considered No.3 as most important and ignored No.1 and No.2 which is capable of ruining the marriage.

Marriage cannot be flawed on its own; rather, the individuals involved are. God created marriage in a good and ideal way for His people.

God's favor is not available to those who are not His children.

Proverbs 18:22

He who finds a wife finds a good thing and obtains favor from the Lord.

How can you obtain favor from the Lord when you're not of the Lord? The reward of good things in marriage is God.

Although; the joy and benefits of you being a child of God really on your ability to believe and grow trust in God. When you have, a failing marriage, simply check your relationship with God again, check your spouse as well, because marriage and its benefit comes from God.

If you or your spouse is not of God, then God is not part of your marriage.

Marriage is a mystery no human can understand but God. Solomon married many wives so he may understand the mystery yet he couldn't so who else after him except God in heaven.
